HUNTS. THE MILL, HEMINGFORD GREY

LL6971

By Appointment.

Hemingford Grey is a small village of about 900 inhabitants in North Hunts, situated on the Sandy Ouse or Great Ouse. The river here is spanned by a bridge, close to which is a picturesque collection of buildings forming a mill. The country round these districts is flat and very fertile, broad expanses of rich meadow lands being found whereon many herds of cattle find grazing which is equalled in very few parts of England.
